

Conditions of use for the bobsleigh track

1. Read the safety instructions and conditions of use carefully before using the system.
2. Please note the notice board **“14 safety rules for your safety”** in the starting area.
3. The instructions on the notice boards must be followed whenever the system is used.
4. This is a sports facility. Every user rides this sports facility at his own risk. The passenger is responsible for his riding behaviour. In particular, he must always ensure that his speed and clearance to others are adapted to the conditions.
5. Children under the age of 3 are not allowed on the track, even if accompanied.
6. Children under 8 years of age (under 7.99) may only ride in two-seater toboggans together with someone older who is familiar with using the toboggan.
7. A toboggan may not be loaded with more than 130 kg.
8. Animals or umbrellas, walking sticks and other bulky, pointed or loose objects may not be taken into the toboggan.
9. Loose clothing (belts, scarves, shoelaces, etc.) and long hair must be kept away from the track and wheels.
10. Leaning out or stretching arms and legs out of the toboggan is prohibited. Do not touch the track.
11. People under the influence of intoxicants (alcohol, drugs and sensory influencing drugs, etc.) are not allowed to use the system.
12. People who cannot properly operate the toboggan due to physical or mental limitations, etc. are not allowed to use the ride, except when accompanied by a specialist or someone they trust who assumes responsibility for it.
13. Smoking is prohibited during the ride.
14. Accidents must be reported immediately to the operating personnel.
